

Delete a Link

Step 1:

Inside a Jira issue, locate the links you want to manage.

Step 2:

Navigate to the specific link you wish to remove.

Step 3:

Click the menu associated with that link.

Step 4:

Select the "Delete" option from the menu.

Step 5:

You will be prompted to confirm if you want to delete this Asana link. Confirm the deletion to remove the link.

Revision #1
