FAQ

FAQ: What is the object and purpose of this app?

The purpose of the app is for IT Asset management. It is designed to manage IT assets like hardware, software licenses, and peripherals within Jira projects.

FAQ: What types of feedback can the app track?

The app supports tracking asset type, serial number, location, assigned user, purchase date, and warranty status. You can also add custom fields for other related fields that you wish to track.

FAQ: How do I install the app?

You can install the app from the Atlassian Marketplace. Navigate to the Apps section in Jira, search for the app name "Asset Tracker," click "Install," and follow the prompts.

FAQ: How do I get support for the app?

Support is available via our support page at <https://appvibe.com/support>.
