View Link History

Step 1:

To view linked Azure DevOps details in Jira, open the Jira issue containing the link.

Step 2:

Locate the link you want to access, and click the icon associated with it. This action will redirect you to the selected Azure DevOps location, allowing you to view or edit the document as needed.

Link Permissions

Step 1:

Open the Jira issue containing the link to view linked Azure DevOps details.

Step 2:

Locate the link you want to access and click the icon associated with it. This action will redirect you to the selected Azure DevOps location, allowing you to view or edit the document as needed.
