

Link Permissions

Step 1:

Go to the Appvibe Azure DevOps Integration configuration page, or click permission from within the link settings in a Jira issue.

Step 2:

Select the desired permissions for each user:

- **Viewer:** Users with view permission can see the link in the Jira issue.
- **Editor:** Users with edit permission can add, edit, or remove links in the Jira issue.
- **Admin:** Users with admin permission can manage link permissions for other users.

Revision #1
