View Canva Design

Click on the **Show** link to see **the Canva design** in an iframe directly inside the Jira issue (See image below).

The screenshot displays a Jira issue interface. At the top, there are two tabs: 'DEV-25' (active) and 'DEV-41'. Below the tabs, the 'Description' section contains a placeholder 'Add a description...'. The 'Story point estimate' is set to '0,25'. The 'Canva Integration' section features the Appvibe logo and 'Canva Integration by Appvibe'. Under 'Canva Links', there is an 'Add' button and an embedded Canva design. The design includes a 'Configuration Drawing' and a 'Flowchart' with the text: 'The visualizing of our processes can guide our actions, identify roadblocks, and streamline our activities for better efficiency.' The sidebar on the right contains a 'Done' button, '1' viewer, and 'Actions' menu. The 'Details' section shows: Assignee: Unassigned (Assign to me); Labels: None; Parent: DEV-25 Configuration for Test ...; Team: None; Development; Reporter: Admin. The 'Automation' section shows 'Rule executions'. The issue metadata includes: Created September 3, 2024 at 1:14 PM; Updated October 4, 2024 at 1:45 PM; Resolved October 4, 2024 at 1:39 PM. The 'Activity' section shows 'Show: All Comments History' and 'Newest first'. A comment box is present with a placeholder 'Add a comment...' and buttons for 'Looks good!', 'Need help?', 'This is blocked...', 'Can you clarify...?', and 'Th >'. A 'Pro tip: press M to comment' is displayed below the comment box.
