

Appvibe Support

Overview:

The Appvibe Client Project Dashboard app seamlessly integrates with Jira to streamline the management and accessibility of client projects. The app skillfully organizes tasks, timelines, and deliverables, providing a comprehensive overview of project status. This functionality empowers businesses to effectively oversee client projects within the familiar Jira environment.

Support Contact:

We are committed to supporting you in maximizing the potential of the Appvibe Client Project Dashboard. For any assistance or to suggest new features, please reach out to us on our Support Page at <https://www.appvibe.com/support>.
