

Link Permissions

Step 1:

Navigate to the Appvibe Dropbox Integration configuration page in your Jira account or click 'Permissions' from within the link settings of a Jira issue.

Step 2:

Assign the desired permissions to users based on their required access level:

- **Viewer:** Can see the link in the Jira issue.
- **Editor:** Can add, edit, or remove links in the Jira issue.
- **Admin:** Can manage link permissions for other users.
