

# Appvibe Support

**Overview:**

We are here to help you. The Appvibe Feature Rollout Planner app makes it easy to manage and access Feature Rollout within Jira. The app allows a business to plan and monitor the rollout of new features, linking launch tasks to development and marketing teams.

**Support Contact:**

If you need further assistance, or want to suggest additional features, you can reach us on our Support Page at <https://www.appvibe.com/support>
