Support and Contact

Overview:

We are committed to providing you the best experience with our tools. The Appvibe Figma Integration app ensures that managing and accessing Figma designs within Jira becomes effortless. By embedding seamlessly, it enables your team to stay concentrated on tasks without the need to toggle between different applications.

Support Contact:

If you require additional help, please reach out to your Jira administrator or connect with us via our Support Page at <https://www.appvibe.com/support>
