

Link Permissions

Step 1:

Go to the Appvibe Figma Integration configuration page, or click 'permission' from within the link settings in a Jira issue.

Step 2:

Select the desired permissions for each user. You can assign users one of the following permissions:

- **Viewer:** Users with view permission can see the link in the Jira issue.
- **Editor:** Users with edit permission can add, edit, or remove links in the Jira issue.
- **Admin:** Users with admin permission can manage link permissions for other users.
