Overview of Features

Appvibe Google Docs Integration offers the following core functionalities to streamline document management:

- **Add Link**: Embed a Google Doc link directly into a Jira issue.
- **Edit Link**: Modify an existing embedded link to a Google Doc.
- **Remove Link**: Delete an embedded Google Doc link from a Jira issue.
- **View Link in Preview**: Access a quick view of the Google Doc without navigating away from Jira.
- **View Link in Full-Screen**: Open the Google Doc in a full-screen mode for more detailed interaction.
- **Sort Links**: Organize embedded Google Doc links by different criteria.
- **Realign Links**: Adjust the arrangement of links within the Jira issue.
- **List View and Tile View**: Toggle between list and tile display formats for links.
- **Manage Permissions**: Control visibility and editing permissions for each embedded link.
- **View History of Changes**: Review the change history of each Google Doc link within the Jira issue.
