

View Link History

Step 1:

Install the Appvibe Google Slides Integration Jira app from the Atlassian Marketplace.

Step 2:

Once installed, navigate to a Jira issue and add a Google Slides link.

Step 3:

Modify the Google Slides link within the Jira issue as needed.

Step 4:

The Appvibe app will track these modifications automatically.

Step 5:

Access the modification history at any time at the link or Jira issue level.

Step 6:

View all changes made to the Google Slides link conveniently within the Jira issue's history section.
