View Link History

Step 1:

Install the Appvibe Microsoft Excel Integration app within your Jira environment to seamlessly track modifications to Microsoft Excel links associated with Jira issues.

Step 2:

Each modification made to the Excel links within a Jira issue is diligently tracked and logged, allowing for review at any point. This modification history can be viewed at both the individual link level and the Jira issue level.

Link Permissions

Step 1:

Go to the Appvibe Microsoft Excel Integration configuration page, or click "Permission" from within the link settings in a Jira issue.

Step 2:

Select the desired permissions for each user, choosing from Viewer, Editor, or Admin.
