Overview of Features

Key Features

Step 1:

Open the Jira issue containing the link to the PagerDuty details.

Step 2:

Locate the link you want to access, and click the icon associated with it. This action will redirect you to the selected PagerDuty location, allowing you to view or edit the document as needed.

Getting Started

Installation

Step 1:

To view linked PagerDuty details in Jira, open the Jira issue containing the link.

Step 2:

Locate the link you want to access, and click the icon associated with it. This action will redirect you to the selected PagerDuty location, allowing you to view or edit the document as needed.

Working with Links

Add a Link

Step 1:

To view linked PagerDuty details in Jira, open the Jira issue containing the link.

Step 2:

Locate the link you want to access, and click the icon associated with it. This action will redirect you to the selected PagerDuty location, allowing you to view or edit the document as needed.

View a Link

Step 1:

To view linked PagerDuty details in Jira, open the Jira issue containing the link.

Step 2:

Locate the link you want to access, and click the icon associated with it. This action will redirect you to the selected PagerDuty location, allowing you to view or edit the document as needed.

Edit a Link

Step 1:

To view linked PagerDuty details in Jira, open the Jira issue containing the link.

Step 2:

Locate the link you want to access, and click the icon associated with it. This action will redirect you to the selected PagerDuty location, allowing you to view or edit the document as needed.

Delete a Link

Step 1:

Open the Jira issue containing the link to view linked PagerDuty details.

Step 2:

Locate the link you want to access, and click the icon associated with it. This action will redirect you to the selected PagerDuty location, allowing you to view or edit the document as needed.

Advanced

Advanced
