FAQ

What is the object and purpose of this app?

The purpose of the app is for Procurement Order. It is designed to monitor procurement requests, purchase orders, and supplier information, with links to budget approvals.

What types of feedback can the app track?

The app supports tracking Procurement Order Number, Supplier, Item Description, Quantity, Cost, and Approval Status. You can also add custom fields for other related attributes you wish to track.

How do I install the app?

You can install the app from the Atlassian Marketplace. Navigate to the Apps section in Jira. Search for the app name Procurement Tracker. Click Install and follow the prompts.

How do I get support for the app?

Support is available via our support page at <https://appvibe.com/support>
