

# Link Permissions

---

## Step 1:

Go to the Appvibe TestRail Integration configuration page, or click permission from within the link settings in a Jira issue.

## Step 2:

Select the desired permissions for each user, assigning one of the following roles:

- **Viewer:** Users can see the link in the Jira issue.
- **Editor:** Users can add, edit, or remove links in the Jira issue.
- **Admin:** Users can manage link permissions for other users.
